## Objective

---

Enthusiastic and result-driven student with a strong academic foundation and a passion creating impactful operations strategies. Eager to leverage my knowledge and skills to contribute to a dynamic operations team and gain practical experience in the field. I'm a quick learner, a creative thinker and a team player with a commitment to deliver measuring results.

## Experience

---

- Studlence Edtech Private Limited** August, 2023 - October, 2023  
Recently, I have completed a 2 months Summer Internship Program as a Marketing Intern at Studlence where I had the privilege of improving my knowledge in the field of Marketing as my role and responsibilities included Market Research, Social Media Management, Content Creation etc. as well as I got the opportunity to polish my interpersonal and communication skills by interacting with the customers.
