Profile Summary

I am an accomplished Tele Caller with a proven track record of delivering results. I excel in driving successful conversions, boasting a 30% increase over the previous quarter. Through my strategic approach, I have increased follow-up appointments by 20% by maintaining a robust client database. I consistently surpass daily call quotas, achieving an average of 50 successful calls per day. My contribution has significantly impacted the overall team's success. I am now seeking opportunities to further leverage my skills and expertise to drive business growth and client satisfaction.
