Profile

Dedicated Chess Coach with a passion for fostering a love of the game and developing the strategic thinking and analytical skills of players. With 2 years of experience in coaching players of all ages and skill levels, I am committed to creating a positive and engaging learning environment. My strong knowledge of chess theory, coupled with effective communication and interpersonal skills, allows me to effectively guide players towards achieving their fullest potential. As a chess coach, I strive to instill discipline, sportsmanship, and a lifelong passion for the game in every student I work with.

Employment History

Chess coach , Einstein Square , Pune

July 2022 – August 2022

Served as Chess coach for students ranging from beginners to intermediate level. worked between 11pm IST to 8am IST and taught international students from 6-12 years old

Education

B. TECH, Indian Maritime University , Pune

August 2019 – April 2023

During my time at Tolani Maritime Institute, I had the invaluable opportunity to immerse myself in a dynamic and enriching educational environment focused on maritime studies. As a student, I engaged in a comprehensive curriculum that provided a strong foundation in various maritime disciplines, including navigation, marine engineering, maritime law, and maritime management.
