## 💼 PROFESSIONAL SUMMARY

I am an Analyst with 1 years of experience in Pricing configuration management and project management. My greatest strengths include problem solving, critical thinking, clear communication and strong team collaboration. I have been able to successfully manage multiple projects at once with a strong focus on customer satisfaction. My most notable achievement is leading a project that increased client retention by 100%. In addition, I have excellent research and report writing skills with the ability to interpret large amounts of data. I am highly motivated, organized and always looking for opportunities to improve processes.

## 💼 EXPERIENCE

**Analyst**                                            2023 - 2024

Carelon Global solution, India, Gurgaon

During my time as an Analyst at Carelon Global Solutions in India from August 2023 to August 2024, I gained valuable experience in data analysis, and project management. I worked closely with cross-functional teams and utilized various tools and techniques to provide insightful reports and recommendations to clients.

- research
- Analyzed data using statistical software
- Managed project timelines and deliverables
- Collaborated with team members to develop strategies
