PROFESSIONAL WORK EXPERIENCE

MSR IT PVT LTD (EXCHANGE DATA INTERNATIONAL)

Jan. 2019 – Sept. 2020

*Equity Research and Financial Data Analyst
Kolkata, India*

- Aided the global financial community to make informed decisions with high-quality research and in-depth data collection for transnational listed companies related to **Corporate Actions, End of day pricing and Economic data services**; providing acquired information to company clients/subscribers via complex platforms such as data feeds and web platforms.
- Delivered multifaceted data references services such as **Worldwide Equity and Fixed Income Corporate Actions, Dividends, Derivatives, Static and Securities Reference, Closing Prices, Shares Outstanding, Economic Indicators and Global Economic Data**.

- Entrusted with the duty of generating **End of Day Pricing Files** for **Portfolio Valuation, Index Calculation, Technical Analysis, and benchmarking** utilisation throughout financial industries of countries such as **Ukraine, Israel, Argentina, Channel Island, Warsaw, Singapore** and other countries.
- Developed and maintained various **financial models and standard templates** distributed to use by the finance team during the planning process, ensuring data accuracy and integrity.
- Performed monthly **balance sheet, income statement and variance analysis** in the financial position/budget.
- Researched and responded to **financial data** questions from internal and external clients regarding **financial accounting** concepts and feed-related technical issues.

Notable Achievements:

- Coordinated client and stakeholder meetings to provide detailed information, achieving 95% client satisfaction.
- Recognised in the quarterly seminar as a brilliant new addition to the team for providing swift resolutions to emergent client/subscribers' issues through guidance on queries pertaining to numerous financial services.

CONCENTRIX

June. 2018- Sept 2018

*Operations Representative
Kolkata, India*

- Carried out tasks to support **business growth**, meet established objectives, and **maximise customer satisfaction** of all Indian Reliance Jio users.
- Contributed to operational excellence and continuous improvement of the company through **optimisation of transition processes**.
- Gathered and analysed complex business requirements by **leading workshops** and scoping meetings with the development and support team to implement changes.

Notable Achievements:

- Exceeded the company's expectations by achieving 'Employee of the Month' for completion of the desired target before the given timeframe and achieving a 90% customer satisfaction.
- Maintained an outcome-oriented mindset, consistently acquiring pragmatic solutions to improve efficiency and productivity.
