- Marketing Skills

WORK EXPERIENCE

- I have worked in my family business for five years and from here I learned how to deal with clients and how to sell products at the most profitable margin.
- Since I have a degree in education too, I worked as a teacher for one year. From this job I learned dealing with pressure and it helped me a lot in life.

ACTIVITIES AND HONORS

- Along with writing contents for social media, I write poetry too and sometimes prose poetry. Since I never collected my works to make it a book or never presented it publicly, I never got honored with any award for this skill or talent.
