# MOHD. HUZAIF

Email: ahuzzu2468@gmail.com

Mobile: +91-7011141405, +91-7827674609

Address: B-319, Sangam Vihar, New Delhi - 110080

#### **PROFILE**

Motivated and detail-oriented BCA student with a keen interest in data analysis and machine learning. Eager to apply academic knowledge in programming, statistics, and database management to contribute effectively as a Data Scientist. Seeking an opportunity to leverage analytical skills and passion for transforming data into actionable insights. Possessing a solid foundation in statistical modeling, programming, and data manipulation, I am committed to leveraging data-driven insights to contribute effectively to your team.

#### **EDUCATION**

AUG 2023 – Pursuing BCA (BACHELOR OF COMPUTER APPLICATIONS) INDIRA GANDHI NATIONAL OPEN UNIVERSITY

MAY 2021 – APR 2023 12TH (CENTRAL BOARD OF SECONDARY EDUCATION) TINU PUBLIC SCHOOL, DELHI

**APR 2021** 

10TH (CENTRAL BOARD OF SECONDARY EDUCATION)
TINU PUBLIC SCHOOL, DELHI

#### **Technical Skills:**

- Agile Scrum: Proficient in Agile methodologies and Scrum framework for iterative project management.
- Proficient in creating insightful data visualizations using Tableau, optimizing data-driven decision-making.
- Cloud Computing: Certified in cloud computing (mention specific certification if applicable, e.g., AWS Certified Solutions Architect).
- Data Analysis: Experienced in analyzing large datasets to derive meaningful insights.
- Data Visualization: Skilled in visualizing data to communicate findings effectively using tools like matplotlib/seaborn in Python.
- DevOps: Knowledgeable in DevOps practices, including continuous integration, continuous deployment, and infrastructure automation.
- Machine Learning with Python: Hands-on experience in applying machine learning algorithms and techniques using Python libraries such as scikit-learn, TensorFlow, or PyTorch.
- Python for Data Science and AI: Proficient in using Python for data manipulation, analysis, and machine learning model development.
- Python Projects for Data Science: Developed practical projects demonstrating proficiency in applying Python to solve data science problems.
- RDBMS (Relational Database Management Systems): Proficient in designing and querying relational databases (mention specific platforms if applicable, e.g., MySQL, PostgreSQL).
- SQL: Strong command of SQL for data extraction, manipulation, and querying databases.
- R Language: Proficient in R for statistical computing, data manipulation, and visualization.
- Statistics: Strong foundation in statistical methods and techniques for data analysis and interpretation.
- Data Wrangling: Skilled in cleaning and transforming messy data into structured datasets suitable for analysis.
- Data Scraping: Experienced in extracting data from websites and other sources using tools like BeautifulSoup or Scrapy.

# **KEY SKILLS/ CHARACTERISTICS**

- Analytical Thinking: Ability to approach problems logically and derive insights from data.
- Detail-Oriented: Attentive to accuracy and completeness in data analysis and reporting.
- Team Collaboration: Strong interpersonal skills for effective teamwork and project collaboration.
- Adaptability: Quick to learn new technologies and methodologies to stay current in a dynamic industry.
- Problem-Solving Skills: Proven track record of identifying issues and implementing effective solutions.
- Effective Communication: Clear and concise communication skills for presenting findings and recommendations.
- Time Management: Efficient in managing tasks and meeting deadlines in fast-paced environments.
- Continuous Learning: Commitment to ongoing professional development and learning new skills.

## **Certifications**

#### **Data Visualization with Tableau**

[Tableau Learning Partner, 2024]

# **Data Visualization with Python Certificate**

[IBM, 2024]

### **Machine Learning with Python Certificate**

[IBM, 2024]

### Python for Data Science, AI & Development Certificate

[IBM, 2024]

## Databases and SQL for Data Science with Python Certificate

[IBM, 2024]

## **Data Analysis with Python Certificate**

[IBM, 2024]

#### Statistics for Data Science with Python Certificate

[IBM, 2024]

#### **ACTIVITIES AND INTERESTS**

- Playing cricket
- E-sports

#### **DECLARATION**

I hereby declare that all the details furnished here are true to the best of my knowledge and belief.
