Job Experience (1 year 6 months)

Worked as a Math Trainer at Bhanzu. Dealing with young minds gives me aesthetic pleasure, it is not just a job it's a mission. This profession has given me a chance to inspire and encourage young minds to love the art of learning.

Job Experience (1 year)

Currently working as a Guitar coach in an ed tech. Guitar is my passion and music is a therapy. My students are taking grade examinations as well from trinity college of London.

EDUCATION

CENTRAL UNIVERSITY OF HIMACHAL PRADESH- MSc. COMPUTATIONAL BIOLOGY AND BIOINFORMATICS

AUGUST 2018- October 2020

- Did a research study in my MSc. project on recent coronavirus outbreak (SARS-CoV-2).
- This project has taught me to gather evidence for things that are said and done, before making decisions and also to consider the alternatives before making decisions.
- It has also taught me about how to evaluate things properly and how detailed analysis of everything is done.

GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY- BSc. MEDICAL LABORATORY TECHNOLOGY

JULY 2014-SEPTEMBER 2017

- This course has taught me about wide variety of responsibilities and duties e.g. analysing blood, body fluids, tissues, and cells.
- Also, it has taught me about microscopes, cell counters, and other high-precision lab equipment.

EXPERIENCE

GURU TEG BAHADUR HOSPITAL, New Delhi - INTERNSHIP

January, 2016

DR. BABA SAHEB AMBEDKAR HOSPITAL, New Delhi - INTERNSHIP

January, 2014

Completed workshop **DMEKA1905** jointly organized by

STATE DISASTER MANAGEMENT AUTHORITY, HIMACHAL PRADESH

April, 2019

Working in a hospital enhanced my confidence in a hospital setting and gave me a deeper understanding and motivation in pursuing a health profession. Also, I learned to work as a team without focusing entirely on myself which has improved my patience in situations when you disagree with another member(s) of the team. It has built my skills of compassion, empathy and changed the way my brain perceives pain and suffering.
