About Me

Dedicated and compassionate academic counsellor with one year of professional experience. One of my core skill is identifying the interest of students in a particular field and explaining the opportunities they can get in future.

Experience

2022-2023

School teacher

i used to be a school teacher at AIMEI school at Srinagar Jammu and Kashmir for more than a year. In my role of school teacher i was teaching biology and chemistry subjects for 9th and 10th standard students.

2024-Present

Academic counselor

At automate easy education and services, i am currently working as an academic counselor. In my role as an academic counselor, i provide in depth knowledge of courses for students which they can pursue for better job opportunity in future.
