- Jan 2022 - Apr 2024
Business Development Executive Officer
JJ MARKETING
The Sales Representative for the Pipes Division is responsible for identifying and developing new business opportunities within the pipe industry. This role requires a deep understanding of industrial piping systems and the ability to build strong relationships with clients in sectors such as construction, plumbing, and infrastructure. The successful candidate will manage a portfolio of accounts, meet or exceed sales targets, and collaborate with technical teams to ensure the right products and services are recommended for each client's needs.
